Join the conversation about dementia

Saturday 5 October 2019 10am – 4pm
9:30am for refreshments – bring your own packed lunch
St Thomas & St Andrew, Doxey, Nr Stafford ST16 1EQ

At this year’s Dementia-Friendly Churches Conference, we’re going to hear from people living with dementia. Dementia Action Week this year reminded us that, “All it takes is a conversation to see that we’re still us”. As we listen to and learn from people with lived experience of dementia, how does this inform and shape our churches, as dementia-friendly churches at the heart of dementia-friendly communities? Come along and join in conversations about practical considerations, church and community, dementia groups and feelings and belonging at church.
