

Lichfield Diocesan Synod 16th March 2024**Stafford Area Mission and Pastoral Committee**

It is proposed to amend the constitution as per the enclosed paper. This was approved by Bishop's Council in February 2024.

- 1) Amend the number required to be quorate to 50% (in line with Shrewsbury EA and Wolverhampton EA).
- 2) Retain the cluster system for the RD and LC membership on a term of office of 5 years but if a RD or LC leaves their post early, the new RD or LC for that specific deanery would serve the remaining term of office. Once that term of office has been completed the AMPC membership would move onto the RD or LC of the next deanery in the cluster.
