B. Single church example.

DISCIPLESHIP

How are we seeking to follow Christ as disciples?

NOW – celebrate with us that:

• We have two Pilgrim groups and have started a new Sunday provision for children: Explorers
• We encourage prayer and response within local schools
• We offer daily public prayer in our church, a regular meditation group and are about to open a new prayer chapel
• We keep our church building open each day as a sign of Christian hospitality

THE COMING YEAR – pray for our immediate plans to:

• Offer ‘Listening to God’ Quiet Days
• Make available again resources for bible reading eg SACRED
• Offer a themed approach to Lent and Holy Week around discipleship issues – possibly focusing on ‘Building a Rule of Life’

IN THE YEARS AHEAD – dream with us:

• As we aspire to grow a network of house groups to support discipleship
• As we explore options for an intentional community of discipleship relevant to our context

VOCATION

How are we responding to God’s call on our lives?

NOW – celebrate with us that:

• We have supported several vocations to ordained ministry
• We have an emerging music group to help lead our worship
• We have seen a wide range of support for new initiatives such as Places of Welcome
• We have witnessed many practical responses to needs around the church and churchyard
• We are seeing new people take part in leading prayers and reading at public worship as we encourage people to ‘have a go’

THE COMING YEAR – pray for our immediate plans to:

• Develop leaders for small groups as a training programme
• Grow a healing ministry team in response to God’s call
• Develop a PCC Development Programme to ensure we move towards a more rounded culture of vocation

IN THE YEARS AHEAD – dream with us:

• As we offer practical teaching about spiritual gifts and promote their use within our community
• As we seek to grow a more diverse leadership and ministry culture which opens up opportunities for younger people and new Christians

EVANGELISM

How are we seeking to share the Good News of Christ with others?

NOW – celebrate with us that:

• We pray for each street in the parish regularly and post a Christmas card to each property
• We intentionally share the hope and promise of the gospel through the many Occasional Offices
• We are engaged on a regular basis with half a dozen local schools in worship, prayer, and teaching about Jesus
• We are seeking to embody the Good News in actions around justice and the environment (Caring for God’s Acre etc)

THE COMING YEAR – pray for our immediate plans to:

• Explore ‘Grave Talk’ and bereavement follow up
• Explore ways of following up baptism and confirmation
• Further develop our social media platforms as ‘Good News’ vehicles
• Equip church members for a healing ministry across the parish

IN THE YEARS AHEAD – dream with us:

• As we seek to place an integral ministry of healing at the centre of our life and to become a healthy and healing church living out the transformative Good News of Christ.
• As we seek to recover confidence in the Good News, especially as it impacts on the poorest parts of our community – ‘Good News for the Poor’
