

GLOBAL SWANSONG with friends from the Diocese of West Malaysia

Wednesday May 26th 2021

⁴ For just as each of us has one body with many members, and these members do not all have the same function, ⁵ so in Christ we, though many, form one body, and each member belongs to all the others. *Romans 12*

St Paul's Petaling Jaya

1 Tim 2:1-7 Luke 16:1-13

Greetings in Jesus' Name. What a great pleasure to be with you – to be welcomed by friends and to be sharing in this partnership in the Gospel which has been so creative for us over these years.

It is thrilling to be here at last – at St Paul's PJ – for a long time just a name but already now a relationship with brothers and sisters in Christ. This is my first long distance Companion Link visit since my licensing as Director of World Mission for the Diocese of Lichfield back in January. The advert finished with the words:

If you share the vision that our mission as Christians in England is part of a global partnership of God's people, we want to hear from you.

- You have inspired us through your commitment to mission and worship, through your hospitality and generosity. Through your strategic commitment to growth and outreach.
- You have inspired us as you have faced difficulties and demands in your relating to the world of Islam as you have sought to hold on to truth with respect and to denounce such acts of Christian extremism as we have recently seen from Terry Jones, the Florida evangelist and Christian extremist who has had such a destructive effect through his threat to burn copies of the Qu'ran.
- These and other insights which you share with us help us in the Lichfield Diocese to have our vision enlarged and to connect with the transforming power and love of Christ Jesus who gave himself as a ransom for all people.

A goodly heritage

These visits and exchanges led on to major diocesan events meticulously planned by Michael and supported by the diocese. The result was visits by large numbers from the companion dioceses to Seedtime in 1991 and The Feast in 1997, each being preceded by worthwhile visits to local parishes. More recently these growing parish links have been deepened by the formation of prayer links and the pre-Lambeth conference CrossTalk.
